

EGREGIO

Chardonnay Rubicone IGP

PRESENTATION

An elegant and contemporary Chardonnay Rubicone IGP, predominantly Chardonnay with a small proportion of Trebbiano enhancing acidity and drinkability; vinified in stainless steel at controlled temperature to preserve varietal purity, then aged for 8 months in tonneaux, gaining finesse and subtle complexity without compromising freshness. Bright straw yellow in color, the nose is intense and harmonious, led by white-fleshed fruit and ripe citrus, supported by refined floral notes and light vegetal hints, with a delicate underlying spice from oak aging.

On the palate, it shows vibrant, well-integrated acidity, balanced alcohol, and measured softness; the texture is agile yet not thin, with a pleasant roundness leading to a clean, savory finish.

A wine focused on finesse, immediacy, and precision.

Best served at 10°C.

GRAPES

➤ 100% Chardonnay

TERROIR

In Emilia-Romagna, clay-sandy soils combined with Adriatic breezes create ideal conditions for fresh and expressive white wines, where diffused sunlight and diurnal shifts promote aromatic clarity and balanced ripening, emphasizing freshness and definition over weight.

FERMENTATION

Vinification in white, for 15 days in stainless steel tanks at 13°C.

AGEING PROCESS

Refined in tonneaux for 8 months.
