

IMPAVIDO

BIANCO Rubicone IGP

PRESENTATION

Bianco Rubicone IGP, crafted from Albana and Trebbiano di Romagna, shows a bright, intense straw yellow color, reflecting a clean and contemporary varietal profile.

Low-temperature fermentation preserves aromatic integrity, delivering an elegant and well-defined bouquet featuring yellow peach, apricot, and exotic fruits such as mango and passion fruit, complemented by floral tones and light vegetal nuances.

Sur lie ageing in stainless steel enhances textural complexity, adding creaminess and depth while maintaining stylistic precision.

On the palate, it reveals a well-integrated sweetness supported by vibrant acidity and a solid alcoholic backbone, enhancing overall roundness.

The mouthfeel is smooth and enveloping, with a clean, coherent finish where a subtle saline touch leads into a persistent and harmonious aftertaste.

Best served at 8°C to highlight aromatic tension and finesse.

GRAPES

- 80% Albana di Romagna
- 20% Trebbiano di Romagna

TERROIR

Across the gentle hills of Romagna, shaped by Adriatic influences and clay-sandy soils, the environment promotes aromatic expressiveness, where fruit ripeness and freshness naturally converge, enhancing the bright and sun-driven character of native varieties.

FERMENTATION

Fermentation at 13°C to maintain at maximum the varietal perfume.

AGEING PROCESS

Sur lies in stainless steel tank.
