

MIRABILE

Pinot Grigio
Rubicone IGP

PRESENTATION

A clean and precise Pinot Grigio Rubicone IGP, crafted in a fresh and elegant style through temperature-controlled stainless-steel fermentation, preserving aromatic purity and clarity, followed by aging in steel to maintain tension and vibrancy.

Bright straw yellow in color, the nose is intense and refined, driven by notes of pear, apple, and citrus, complemented by delicate floral hints and subtle vegetal nuances adding understated complexity.

On the palate, it shows vibrant, well-defined acidity supported by balanced structure and enveloping softness, where residual sugar contributes to roundness without compromising drinkability; alcohol is well integrated, leading to a clean, harmonious finish of good persistence.

A direct and precise wine focused on immediacy and pleasure.

Best served at 8°C.

GRAPES

➤ 100% Pinot Grigio

TERROIR

In Emilia-Romagna, Adriatic breezes and mixed clay-sandy soils create ideal conditions for slow and even ripening, enhancing fresh and defined aromatic profiles; a setting that highlights Pinot Grigio's linearity, favoring balance, finesse, and gustatory tension.

FERMENTATION

At controlled temperature (55°F) in stainless steel bucket fermentations.

AGEING PROCESS

In stainless steel tanks.
