

POSSENTE

Merlot-Cabernet Sauvignon
Rubicone IGP

PRESENTATION

A modern and balanced Merlot Cabernet Sauvignon Rubicone IGP, where Merlot's softness meets the structure and backbone of Cabernet Sauvignon; temperature-controlled fermentation in stainless steel ensures precise and clean phenolic extraction, while aging in French oak tonneaux provides aromatic finesse and tannin integration without overpowering the fruit.

In the glass, it shows a bright scarlet red with violet reflections; the nose is intense and enveloping, driven by ripe red and black fruit, enhanced by elegant spice and subtle herbal and floral nuances.

On the palate, it reveals a smooth, rounded structure with velvety, well-integrated tannins, balanced acidity, and harmonious alcohol; a slight perceptible sweetness, linked to residual sugar, enhances approachability and drinkability. The finish is clean, persistent, and gently spicy.

Best served at 18°C.

GRAPES

- 80% Merlot
- 20% Cabernet Sauvignon

TERROIR

Emilia-Romagna's vineyard landscape features clay and silty soils often mixed with sand, under a temperate climate influenced by Adriatic breezes, promoting gradual and complete ripening; here Merlot and Cabernet Sauvignon express fruit clarity and refined tannins, emphasizing elegance and drinkability over concentration.

FERMENTATION

At controlled temperature (77°F) in stainless steel bucket fermentators.

AGEING PROCESS

In French oak, tonneaux

POSSENTE

Merlot-Cabernet Sauvignon
Rubicone IGP

CHARACTERISTICS

COLOUR AND SHADES

Bright scarlet red with violet reflections.

TEMPERATURE OF SERVICE

18°C.

CORK

DIAM

MATCHING

Ideal with structured pasta dishes, grilled red meats, roasts, and cured meats; also pairs well with medium-aged cheeses thanks to its smooth texture and polished tannins.

ANALYSIS

ACIDITY : 5,45 gr/lt

PH : 3,64

SUGAR RESIDUAL : 15,70 gr./lt.

ALCOHOL BY VOLUME : 14,50% vol.
